

Cameron Osborne - Licensed Estate Agent

Cameron offers service above and beyond client expectations - which equals happy property owners and tenants.

With over 20 years experience leasing and managing rental properties all across Melbourne, Cameron Osborne brings a highly sought level of expertise and professionalism.

Cameron's friendly nature and excellent customer service skills make him the ideal candidate to manage your investment property. Whether it be a one bedroom apartment or multi million dollar property Cameron applies the same dedication to achieving a timely result.

"I am humbled when a property owner entrusts their rental property to Melbourne Asset Management, in return I work to ensure their faith in our company is rewarded. I offer a personalised service, taking a personal responsibility for your property."

Having started Melbourne Asset Management in 2004, Cameron has guided the company to be one of Melbourne's leading specialist rental Property Management companies. As a hands on business owner and Licensed Estate Agent Cameron will ensure you, your property and your tenants receive a positive, stress free experience.

"Many Property Managers are only available during traditional working hours, we are open seven days a week and contactable 24 hours a day to ensure we manage any situation as it may arise."

Cameron is often called upon by many industry colleagues and property owners for professional advice in dealing with real estate issues. Cameron is always happy to share his knowledge and experience.

"I enjoy property management and I look forward to the opportunity of being of service and building a long term relationship with all of my property owners and tenants. I believe that timely honest communication is the key to building strong relationships."

When not working Cameron enjoys playing squash, long distance running having completed several half marathons and the Sunshine Coast Marathon and spending time socialising with family and friends.
